

# Watching the Tower of Skies

Time Requiem

How easy it would be to show me how you feel  
Words are not enough for me no more  
Remember saying I will lead you on the way  
Morning came along is the for real?

I gave you all my love to cherish and to hold  
Against your heart to the one is this for real  
Wise men say: The only victim of your life  
will never be for real in silence.

Aching my head is taking you to my everlasting war  
you might be the victim of my life  
Morning can hear your warning  
before the curtains of the night  
Closing in on earth with strongest hands.

This is my everlasting game  
I never saw what's meant to be.

Wasting me blood is tasting  
you haven't seen th judgment day  
Chosen friends will soon forsake you down  
Savior your own behavior can be  
the last thing of your life  
Take this paid advice course it's for real.

This is my everlasting game  
I never saw what's meant to be.

I wish my God will take to eternity  
Fading spirits sent from Judas' son  
It's for real like a demon in the sky  
Passing through I'm asking why  
You will burn into my hell.

Trading you might be fading  
along with shadow in the air  
Now you have to sacrifice my love  
Reaching you'll soon be preaching  
about this crime and penalty  
You might be the last one here for real.

This is my everlasting game  
I never saw what's meant to be.

I wish me God will take me to eternity  
Fading spirits sent from Judas' son  
It's for real like a demon in the sky  
Passing through I'm asking why  
You will burn into my hell.

I wish me God will take me to eternity  
Fading spirits sent from Judas' son  
It's for real like a demon in the sky  
Passing through I'm asking why  
You will burn into my hell.

Like a demon in the sky  
Passing trough I'm asking why  
You will burn into my hell.

God take me to eternity  
Spirits sent from bravery  
Like a demon in the sky.
