

I Hate U I Love U

Timeflies

Feeling used, but I'm still missing you
And I can't see the end of this
Just wanna feel your kiss against my lips
And now all this time is passing by
But I still can't seem to tell you why
It hurts me every time I see you
Realize how much I need you

I hate you, I love you
I hate that I love you
Don't want to, but I can't put
Nobody else above you
I hate you, I love you
I hate that I want you
I want her, I need her
And you'll never be her

That's why I hate you...
I hate you
That's why I hate you

I miss you when I can't sleep
Or right after coffee
Or right when I can't eat
I miss you in my front seat
Still got sand in my sweaters
From nights we don't remember
Do you miss me like I miss you?
Fucked around and got attached to you
Friends can break your heart too
And I'm always tired but never of you
If I pulled a you on you
You wouldn't like that shit
I put this reel out
But you wouldn't bite that shit
I type a text but then I nevermind that shit
I got these feelings but you never mind that shit
Oh oh, keep it on the low
You're still in love with me
But your friends don't know
If you wanted me, you would just say so
And if I were you, I would never let me go

I hate you, I love you
I hate that I love you
Don't want to, but I can't put
Nobody else above you
I hate you, I love you
I hate that I want you
I want her, I need her
And you'll never be her

That's why I hate you...

I hate you
Whoa
That's why I hate you

Everybody gets high sometimes
You know?
What else can we do when we're feeling low?
So take a deep breath and let it go
You shouldn't be drownin' on your own

I hate you, I love you
I hate that I love you
Don't want to, but I can't put
Nobody else above you
I hate you, I love you
I hate that I want you
I want her, I need her
And you'll never be her

That's why I hate you...

I hate you
That's why I hate you
But I still love you

That's why I hate you...
