

# I'm on One

Timeflies

What up, Rez?  
Let's do it.

I'm getting so throwed  
I ain't work this hard since I was 18  
Apologize if I say anything I don't mean  
Like what's up with your best friend?  
We could all have some fun, believe me  
And what's up with these new fools?  
And why they think it all comes so easy  
But get it while you here boy  
'Cause all that hype  
Don't feel the same next year boy, yeah  
And I'll be right here in my spot  
With a little more cash than I already got  
Trippin' off you  
'Cause you had your shot  
With my skin tanned and my hair long  
And my fans who been so patient  
Me and Rez back to work  
But we still smell like a vacation  
Hate the rumors, hate your bullshit  
Hate these fucking allegations,  
I'm just feeling like the throne is for the taking

All I care about is money  
And the city that I'm from  
Imma sip until I feel it  
Imma smoke until it's done  
And I don't really give a fuck  
My excuse is that I'm young  
And I'm only getting older  
Somebody should've told ya  
I'm on one, yeah  
I said "I'm on one"  
I said "I'm on one"  
Said, "Fuck it. I'm on one"  
Yeah, uh

Two white cups and I got that drink  
Could be purple, it could be pink  
Depending on how you mix that shit  
Money that we got, never get that shit  
'Cause I'm on one, yeah  
Said, "Fuck it. I'm on one"

I walk around the club, fuck everybody  
And all my dude got that Heat  
I feel like Pat Riley  
Yeah, too much money ain't enough money  
You know the feds listening,  
What money?  
I'm a maid man  
I should dust something  
You fools on the bench  
Like the bus coming  
Ahh, ain't nothing sweet but the swishers

I'm focused  
Might as well say cheese for the pictures  
Oh, I'm about to go Andre the Giant  
You a sellout, but I ain't buying  
Chopper dissect the kid like science  
Put an end to your world like the Mayans  
This a celebration bitches, Mazel Tov  
It's a slim chance I fall, olive oil  
Tunechi be the name,  
Don't ask 'em how I got it  
I'm killin' these bitches  
I swear, I should stop the violence

All I care about is money and the city that I'm from  
Imma sip until I feel it  
Imma smoke until it's done  
And I don't really give a fuck  
My excuse is that I'm young  
And I'm only getting older  
Somebody should've told ya  
I'm on one, yeah.  
Fuck it, I'm on one  
I said "I'm on one"  
Fuck it. I'm on one

Two white cups and I got that drink  
Could be purple, it could be pink  
Depending on how you mix that shit  
Money that we got, never get that shit  
'Cause I'm on one, yeah  
Said, "Fuck it. I'm on one"

I might be too strong out on compliments  
Overdose on confidence  
Started not to give a fuck  
And stopped fearing the consequence  
Drinking every night  
Because we drink to my accomplishments  
Faded way too long  
I'm floating in and out of consciousness  
And they sayin' I'm back  
I'd agree with that  
I just take my time with all this shit  
I still believe in that  
I had someone tell me I fell off  
Oh, I needed that  
And they wanna see me pick back up  
Well where'd I leave it at  
I know I exaggerated things  
Now I got it like that  
Tuck my napkin in my shirt  
'Cause I'm just mobbin' like that  
You know good and well  
That you don't want a problem like that  
You gon' make someone around me  
Catch a body like that  
No, don't do it  
Please don't do it  
'Cause one of us goes in  
And we all go through it  
Rez has got the money  
And don't know how to pay it  
Those my brothers,

I ain't even gotta say it  
That's just something they know

They know, they know, they know  
They know, they know, they know  
They know, they know, they know  
That I'm on one, yeah

I said "I'm on one"

I said "Fuck it. I'm on one"

You know we on one.

They know, they know, they know  
That it's Tuesday, yeah  
They know, they know, they know
