

Semi-Charmed

Timeflies

Doo doo doo
Doo doo-doo doo
Doo doo doo
Doo doo-doo doo

My heart was gold
And I feel it comin' in waves now
Something we're tryin' to say now
There's no doubt
Your heart was cold
It's easy to see from the outside
But it's Sixth Street and it's Spring out
So buy
I was so down

I told you
I want something else
To get me through this
Semi-charmed kind of life
Baby, baby
I want something else
I'm not listenin' when you say
Goodbye

Doot doot doo
Doot-doot doo doo

My heart is gold
So stop tryin' to act like an angel
I'm tryin hard to not hate you
You're out your mind
Your heart is cold
Like, oh, matter of fact
'Cause when I look back
Could have used a straight jacket
You're crazy like crazy town, no lie
Ohhh, I'm the shit
Yeah, I know
Easy come, easy go
Check, I'm good on my own
Still she blowin' up my phone
I don't want you anymore
You just gotta let me go
You'll regret the things you did
When, girl, you're lyin' there alone

And I want something else
To get me through this
Semi-charmed kind of life
Baby, baby
I want something else
I'm not listenin' when you say
Goodbye

Doo doo doo
Doo doo-doo doo
Doo doo doo

Doo doo-doo doo
Doo doo doo
Doo doo-doo doo
Doo doo doo

Doo doo doo
Doo doo-doo doo
Doo doo doo
Doo doo-doo doo
Doo doo doo
Doo doo-doo doo
Doo doo doo

Hey, hey

Ok you win some, you dim some
I'm solo in my kingdom
More dough than Homer Simpson
And I, I want something else
Can't stay, now I gotta go
Took abuse from bae
No Guantanamo
Gotta jump ship, real quick
Go, geronimo
I can't help myself
I told you...

I want something else
To get me through this
Semi-charmed kind of life
Baby, baby
I want something else
I'm not listenin' when you say
Goodbye

Doo doo doo
Doo doo-doo doo
Doo doo doo
Doo doo-doo doo
Doo doo doo
Doo doo-doo doo
Doo doo doo

Doo doo doo
Doo doo-doo doo
Doo doo doo
Doo doo-doo doo
Doo doo doo
Doo doo-doo doo
Doo doo doo

I want something else
Semi-charmed kind of life
