

Somebody

Timeflies

Walking, everybody know what's good
But some gonna hate, what's new?
We just do our thing
No time to waste
Always play it cool

And at the end of the night
When the lights go out
Will we turn down?
Oh no we won't
We ain't never turn down, nah
We ain't never turn down
And when they try to make us leave
We turn to say we never goin' home
And you know just what I wanna do

I wanna rock with somebody
I wanna take shots with somebody
I wanna leave with somebody
And we ain't gonna tell nobody
We ain't gonna tell nobody

Walking, everybody know what's good
We are only block
Bring us everything we think we need
Tonight is goin' up

And at the end of the night
When the lights go out
Will we turn down?
Oh no we won't
We ain't never turn down, nah
We ain't never turn down
And when they try to make us leave
We turn to say we never goin' home
And you know just what I wanna do

I wanna rock with somebody
I wanna take shots with somebody
I wanna leave with somebody
And we ain't gonna tell nobody
We ain't gonna tell nobody

This hit, that ice cold
Michelle Pfeiffer, that white gold
This one for them hood girls
Them good girls, straight masterpieces
Stylin', wilin', livin' it up in the city
Got Chucks on with Saint Laurent
Gotta kiss myself, I'm so pretty
I'm too hot, hot damn
Call the police and the fireman
I'm too hot, hot damn
Make a dragon wanna retire, man
I'm too hot, hot damn
I say my name, you know who I am
I'm too hot, hot damn

And my band 'bout that money
Break it down

I wanna rock with somebody
I wanna take shots with somebody, oooh
Oh, I wanna leave with somebody
With somebody who loves me

I wanna rock with somebody
I wanna take shots with somebody
I wanna leave with somebody

With somebody who loves me...
