Timeflies

We are never ever ever getting back together
We are never ever ever getting back together
You go talk to your friends talk
To my friends talk to me
But we are never ever ever ever getting back together

You're on the phone with your boyfriend. He's upset.
He's going off about something that you said
He doesn't get your humor like I do.
I'm in the room it's a typical Tuesday night.
I'm listening to the kind of music he doesn't like.
And he'll never know your story like I do.

Oo Oo-Oo Oo Oo
We called it off again last night
But Oo Oo-Oo Oo Oo
This time, I'm telling you, I'm telling you

I wish I was strong enough
To lift not one, but both of us.
Someday I'll be strong enough to lift
Not one, but both of us.

So she calls me up and she's like, "Can we please just..."

Walkin the streets with you in your tight ass jeans
I can't help thinking this is how it ought to be.
Laughing on the park bench thinking to myself,
Hey isn't this easy?
You've got a smile that could light up this whole town
I haven't seen it in awhile since he brought you down.
You say you find I know you better than that.
But what're you doing with a boy like that.

Oo Oo-Oo Oo Oo
We called it off again last night
But Oo Oo-Oo Oo Oo
This time I'm telling you, I'm telling you

I wish I was strong enough
To lift not one, but both of us.
Someday I'll be strong enough to lift
Not one, but both of us.

We were both young when I first saw you
I close my eyes, tthe flashback starts
I'm standing there on a balcony in summer air.
See the lights see the party, the ball gowns
See you make your way through the crowd and say hello.
Little did I know.

This is so exhausting.
I'm telling you I'm telling you

I wish I was strong enough
To lift not one, but both of us. (We are never getting back together)
Someday I'll be strong enough to lift

Not one, but both of us.

And I'm like, "Oh my God. Please. Just listen to yourself.
Ridiculous. I can't deal with this shenanigans."
She's like "Can we please just..."
And I'm like, "NO! Shut your mouth, please,
when you're talking to me."
