

Under The Sea

Timeflies

When I came on this mic, yeah, you knew it happened
And when I stepped up in here and started rappin'.
Like at my shows when I see the hands, they clappin'
Like when I'm under the sea chillin' with Sebastian
Yeah, now the phone rings and who they callin'?
'Cause know that when I'm steppin' in, you know this dude is ballin'.
But understand, like the hands You know they throwin' up
'Cause you understand at Disney Beats we never growin' up.

Yeah, and if you feel them, give me beats, I kill them
We can make on anything, you hit is with a steel drum.
Shit, we out there killing it, don't know if you feelin' it
Damn, I can do it from my mind, yes, I'm willin' it
Uhh, and if you want it you take it home,
Like i do with this microphone, yes, I'm in the zone
So you get it 'cause this is how it goes
And I know you can sing along 'cause this is how I flow, like

Under the sea (Yeah)
Under the sea (Yeah)
Darling it's better
Down where it's wetter
Take it from me (Take it from me)

Under the sea (Oh Oh Oh)
Under the sea (Yeah)
Darling it's better
You know I get you wetter
Under the sea

Yeah, comin' up for air
I've been under the sea forever
Darling it's gotten better
Ever since we got together
In that moment when i started to dream
When I came on the stage
And ya'll started to scream
Like, this, see this the reason that we did it
We got too much to lose, and i gon try and win it
I catch you on the flip side,
I'll catch this life and flip it
And feed on this Timeflies, (Ha ha)
Ribbit

I'm in it, on it, did it, done it
And minus the additions to my life
I fucking love it
Yeah, I live it to the fullest
Ain't a minute that I let go
And we been doin' big like this
From the mothafuckin' get-go
Yeah, that's from the start, the arrival
Hold the antibiotics 'cause the videos are viral
So this is for the people 'cause we do this shit for you
Now, let's show them where these dreams come true

Under the sea (Yeah)

Under the sea (Yeah)
Darling it's better
Down where it's wetter
Take it from me (Take it from me)

Under the sea (Oh Oh Oh)
Under the sea (Yeah)
Darling it's better
You know I get you wetter
Under the sea

Just this time it seems that everything has changed
And we don't mind and nothing will ever be the same
Yeah, like i ain't did it in a minute
We are down on the floor you can go and hop in it
So come with me, I gotta show you
Baby let me take where you wanna go to
And that's...

Under the sea (Yeah)
Under the sea (Yeah)
Darling it's better
Down where it's wetter
Take it from me (Take it from me)

Under the sea (Oh Oh Oh)
Under the sea (Yeah)
Darling it's better
You know I get you wetter
Under the sea
