

Why'd It Have To Be Now

Timeflies

Took me a minute to figure it out
Girl can you feel what I'm talking about
Thinking about the first night on your couch
And I want this
Why'd it have to be now
Why'd it have to be now

Ooh baby, ooh baby
Know it feels like magic
Ooh baby, ooh baby
Let's not make this tragic
Ooh baby, ooh baby
Could you just imagine
If we just have time
This could happen

'Cause you know it's you I'm hooked on
But this ain't right
I wake up in a different city every night
Yea it's you I'm hooked on but in this life
It's all about the timing but the time ain't right
Why'd it have to be now
Why'd it have to be now
Why'd it have to be now
Why'd it have to be now
But the time ain't right
Why'd it have to be now

I can't be here all the time
We rendezvous calls we read between lines
You take your side and I'll take mine
Baby, I'm a big boy and you, Caroline
And it may be the drinks that we mixing
But I need you out of my system
We kicking it like an addiction
I know it's hard but just listen

'Cause you know it's you I'm hooked on
But this ain't right
I wake up in a different city every night
Yea it's you I'm hooked on but in this life
It's all about the timing but the time ain't right
Why'd it have to be now
Why'd it have to be now
Why'd it have to be now
Why'd it have to be now
But the time ain't right
Why'd it have to be now

Took me a minute to figure it out
Girl can you feel what I'm talking about
Thinking about the first night on your couch
And I want this
Why'd it have to be now
Why'd it have to be now

'Cause you know it's you I'm hooked on

But this ain't right
I wake up in a different city every night
Yea it's you I'm hooked on but in this life
It's all about the timing but the time ain't right
Why'd it have to be now
Why'd it have to be now
Why'd it have to be now
Why'd it have to be now
But the time ain't right
Why'd it have to be now

Ooh baby....
