

AYO (That's What I Like)

Timomatic

Oh, oh woah

A-a-ayo, a-a-ayo

A-a-ayo, a-a-ayo

What's up girl, what's your name

Baby what's your number

I don't waste no time, play no games

This ain't undercover

But you don't know, how hard it is to try and play it cool

But oh, I can't resist you

You make me say ayo ayo

Hit me like a train girl

Ayo ayo, that's what I like

I ain't gotta front it, you can let the lightning

Straight into my heart, uh, yeah I like it

Got me saying ayo ayo, that's what I like

Been around the world, met a lot of girls

But there you got the magic

And watching you, do your thing, I just gotta have it

Cause you should know my game is fading

Gotta get you alone, don't keep me waiting

You make me say ayo ayo

Hit me like a train girl

Ayo ayo, that's what I like

I ain't gotta front it, you can let the lightning

Straight into my heart, uh, yeah I like it

Got me saying ayo ayo, that's what I like

Every time I look at you, uh you make me fly, you make me fly

And every time you look at me you electrify ignite my body

Baby girl that's what I like

A-a-ayo, a-a-ayo

A-a-ayo, a-a-ayo

You make me say ayo ayo

Hit me like a train girl

Ayo ayo, that's what I like

I ain't gotta front it, you can let the lightning

Straight into my heart, uh, yeah I like it

Got me saying ayo ayo, that's what I like

[x2]

I like it, I like it

I like it, I like it

I like it, I like it

That's what I like
