

If Looks Could Kill

Timomatic

Ohohoh ohohoh ohohoh
Ohohoh ohohoh ohohoh

Uh, Timomatic
She got it, the way she steals the show, oh
I want it, and she don't even know, oh
That body, she lookin' so dangerous
So criminal, (criminal)

She pull me up, then shut me down
And I can't do a thing about it
I feel the rush, can't get enough
But you kick me when I'm reaching for you

If looks could kill
You'd be the death of me, death of me, death of me, girl
If looks could kill
You'd be the death of me, death of me, death of me, girl
Oh Oh

So baby, baby come look my way,
Baby, baby come look my way,
Baby, baby come look my way, way

If looks could kill
You'd be the death of me, death of me, death of me, girl
Oh oh

She work it like murder on the dance floor
I'm watchin' this thing I've never seen before
Hold up baby, watcha doin' to me?
How could you shoot me and just walk away?

She pull me up, then shut me down
And I can't do a thing about it,
(Can't do a thing about it)
I feel the rush, can't get enough
But you kick me when I'm reachin' for you

If looks could kill
You'd be the death of me, death of me, death of me, girl
If looks could kill
You'd be the death of me, death of me, death of me, girl
Oh oh

So baby, baby come look my way,
Baby, baby come look my way,
Baby, baby come look my way, way

If looks could kill
You'd be the death of me, death of me, death of me, girl
You make me say,
Ohohoh ohohoh ohohoh
Baby you make me say,
Ohohoh ohohoh ohohoh

If looks could kill

You'd be the death of me, girl
If looks could kill
You'd be the death of me
Yeah, yeah

So baby, baby come look my way,
Baby, baby come look my way
Baby, baby come look my way, way

If looks could kill
You'd be the death of me, death of me, death of me, girl
If looks could kill
You'd be the death of me, death of me, death of me, girl

You'd be the death of me, girl
You'd be the death of me, baby
You'd be the death of me, girl
