

# On My Mind

Timomatic

Airplanes, bus and trains  
Everyday, everyday I'm rolling  
Taxi cabs, there and back  
Sometimes I don't know where I'm going

But I know you're with me  
Cause every second I think of you  
No matter the distance  
Through every window I see you looking

Over me  
And you're glowing, yeah you're glowing  
You're just like home to me  
I would never wanna leave, never wanna leave  
Baby you're on my mind  
Baby you're on my mind

City lights, summer nights  
Everywhere, everywhere I'm flying  
Play the show, here we go  
One blink and I'm back up on the road

But I know you're watching  
Cause every moment I feel you near  
Your shadow beside me  
And through the crowd I see you looking

Over me  
And you're glowing, yeah you're glowing  
You're just like home to me  
I would never wanna leave, never wanna leave  
Baby you're on my mind  
Baby you're on my mind  
On my mind  
Baby you're on my mind

Every second, every moment  
You're always on my mind  
Every second, every moment  
You're always on my mind  
Always on my mind,  
You're always on my mind  
You're always, always  
You're always on my mind

Baby you're on my mind  
And I never wanna leave  
Baby you're on my mind  
Baby you are, you are  
On my mind  
Baby you're on my mind  
On my mind oh
