

# It's Time For A Change Of Heart

Tina Charles

Sometimes I wish that I'd never got out of bed  
Facing another day chasing the pain away from my head  
cause here we go again, with words we shouldn't say  
Hurting one another, now our love has died away, oh baby  
I think it's time for a change of heart  
You go your way I'll go mine, make a brand new start

Now we've got it wrong, and it won't take long for the  
Grass to grow  
So why don't we wake up cause we've got to break up,  
It's time to go  
Let's throw away these chains that keep us hanging on  
There's nothing left but memories and they won't stay  
Too long  
Oh, baby I think it's time for a change of heart  
You go your way, I'll go mine, make a brand new start

You go your way, I'll go mine  
Don't you know everything got to change some time  
Even love, sweet sweet love, don't last for a lifetime  
You go your way, I'll go mine  
Let's throw away these chains that keep us hanging on  
There's nothing left but memories and they won't stay  
Too long  
Oh baby, it's time for a change of heart  
You go your way, I'll go mine, make a brand new start  
I think it's time for a change of heart  
You go your way, I'll go mine, make a brand new start  
You go your way, I'll go mine  
You go your way, I'll go mine  
You go your way, I'll go mine  
You go your way, I'll go mine  
Don't you know everything, everything got to change  
Sometime  
Even love, sweet sweet love, don't you know  
Everything it's gonna change sometime..
