

Love Me Like A Lover

Tina Charles

Love me like a lover.
Love me like no other.
Love me like a lover.
Love me like no other.
Just because I wear your ring
Doesn't mean I'm on a string
Jumping to your every beck and call
Love me
show a little passion
Love me
need my daily ration
Love me
got to have some action
And a life long satisfaction

Love me like a lover.
Love me like no other.

Come on and take me out tonight
Bring me home and hold me tight
What I'm asking isn't hard at all
Love me
show a little passion
. . .
