## Rendezvous

## **Tina Charles**

I'm not school girl Juliet Who falls in love each night But I think I've fallen on first sight

Know we only met just yesterday I barely know your name But I think I love just the same

I haven't stop thinking about our date tonight I hope you haven't changed your mind I haven't stop dreaming about you hold me tight Tonight all this time

We got a rendezvous tonight at half past eight We got a rendezvous now don't forget our date Na na na rendezvous just me and you!

Ah My head is swimming bells are ringing I can't move at all Day is dragging night will never fall

I know we only met just yesterday In the small cafe Since that moment I've been walking tall
