

# Turn Back Time

Tina Cousins

Didn't mean to hurt you how was I so weak?  
Ain't nothin' sacred in this world at all  
took your love for granted now it cuts so deep  
I never saw the writing on the wall

It's too late, I had your love but I pushed it away  
Twist of fate it's hard to find the words to say

But now I want to turn back time  
I've realised there's no love like the one I left behind  
And if I have to wait in line  
There'll come a day I'll find a way to turn back time

Never saw it coming I was such a fool  
Too busy Dreamin' to read between the lines  
But goin' round in circles got me so confused  
I can't believe I never saw the signs

Now it's too late, I had your love but it supped away  
Twist of fate it's hard to find the words to say

Never saw it coming I was such a fool  
Too busy Dreamin' to read between the lines  
But goin' round in circles got me so confused  
I can't believe I never saw the signs
