

If you need some good loving
Call on me
And if you need some good hugging
Call on me baby
I'll be right here at home
All you gotta do is pick up the telephone and dial now

Six three four five seven eight nine
That's my number
Six three four five seven eight nine

If you want some loving
Call on me
And if you want sweet hugging
Call on me baby
No more lonely nights will you be alone
All you gotta do is pick up the telephone and dial now

Six three four five seven eight nine
That's my number
Six three four five seven eight nine

I'll be right there
Just as soon as I can
And if I'll be a little bit late
I hope you will understand

If you want some good loving
Call on me
If you need a good loving baby
Call on me baby
Oh I'll be right here at home
All you gotta do is pick up that telephone and dial now

Six three four five seven eight nine
That's my number
Six three four five seven eight nine

Six three four five seven eight nine
