

All Kinds of People

Tina Turner

There's a time for love and a time for healing
Can't go back and undo what's been done
The word of mouth, time is revealing
Just how far we've left this kingdom come
Hand in hand we're finding our way
And today is just tomorrow's yesterday

Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world

Kiss of life and the hand of fate
Boy grows up into his father's son
And he learns to love, has been taught to hate
To carry on the way it had been done
All our lives, it's debts to repay
Maybe someday we can put the past away

Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
Some will die for you, some will lie to you
There's all kinds of people in this world
Put your fear away, find a better way
There's all kinds of people in this world

Underneath a broken sky
Love can heal the pain inside
In a moment things can change
One look behind and it's never the same
