Better Be Good to Me

Tina Turner

A prisoner of your love Entangled in your web Hot whispers in the night I'm captured by your spell Oh yes I'm touched by this show of emotion Should I be fractured by your lack of devotion Should I, should I?

You better be good to me That's how it's gotta be now Cause I don't have no use For what you loosely call the truth You better be good to me

I think it's also right That we don't need to fight We stand face to face And you present your case And I know you keep telling me that you love me And I really do want to believe But did you think I'd just accept you in blind faith Oh sure babe, anything to please you

You better be good to me That's how it's gotta be now Cause I don't have the time For your over loaded lines You better be good to me

And I really don't see why it's so hard to be good to me And I don't understand what's your plan that you can't be good to me What I can't feel I surely cannot see, why can't you be good to me And if it's not real I do not wish to see, why can't you be goo d to me
