

Fool For Your Love

Tina Turner

Ooh, love was so hard to find
Untill you came along in my life
And I thought I would lose my mind
When you said that you want(ed) to be mine

And ever since that day I've been hooked
Nothing can turn me away
This living with you is like a dream come true
And it grows more and more everyday

Ooh, I'm reaching the highest of highs
Everytime I look in your eyes
And if you ask me how I feel
I can say it out loud
I feel like a million inside

I never thought this could happen to me
You got me just where you want me, baby
For your love I would do anything
Every night I'm a fool for your love

Ooh, I'm a fool for your love
I'm a fool for your love
Oh, I'm a fool for your love
I'm just a fool for your love

Driving home from this sleepy old town
When my day's work is all through
The sun and the lights, make me wish I could fly
Just to get back faster to you

I waited all day by the telephone
Staring at the clock on the wall
The hours are so long when you're free from my arms
And I just can't wait to hold you

I'm a fool for your love
I'm a fool for your love
Oh, I'm a fool for your love
I'm a fool for your love

Mmh, you're giving me chills up my spine
I'm feeling so fine, going out of my mind
And I don't care if it never stops
Cause I love you and love till I drop

Ooh, I'm a fool for your love
I'm a fool for your love
Oh, I'm a fool for your love
I'm just a fool for your love

I just want you to know

I'm a fool for your love
