Darling (yes tine) it's time to get next to me  
(honey that was my plan from the very beginning)  
Darling (un huh) I never thought that this could be  
(what you mean) oh yeah  
Your lips set my soul on fire  
You could be my one desire  
Oh darling (yes yes) I think it's gonna work out fine  
(it's gonna work out fine)  
I wanna tell you something ike  
Ike, I went to see the preacher man  
(the preacher man, you must be losin your mind)  
I started (strated what) I started making wedding plans  
(oh really) oh yeah  
If your love is half as true as the love I offer you

Oh darling (yes yes) I think it's gonna work out fine  
(it's gonna work out fine)  
I keep a tellin ya (I think it's gonna work out fine)  
I get the feelin it's a (gonna work out fine)  
I keep a tellin you (I know it's gonna work out fine)  
I'm so glad that you're mine all mine  
Remember (remember what) I used to call you dapper dan  
(yeah those were the good ole days)  
But killer, forever and a lovin man (that's me) oh yeah  
A whole lot of love just to be your speed  
But now pretty daddy I'm all you need  
Oh darling (yes yes) I know it's gonna work out fine  
(it's gonna work out fine)  
I keep a tellin ya (I think it's gonna work out fine)  
I get the feelin it's a (gonna work out fine)  
I keep a tellin you (I know it's gonna work out fine)  
I want you to know it's gonna work out fine
