Missing You

Tina Turner

Everytime I think of you, I always catch my breath And I'm still standing here, and you're miles away and I'm wondering why you left And there's a storm that's raging through my frozen heart tonight I hear your name in certain circles And it always makes me smile I spend my time thinking about you and it's almost driving me wild And there's a heart that's breaking down this long distance line tonight

I ain't missing you at all (missing you) since you've been gone away (missing you), I ain't missing you (missing you) No matter what I might say (missing you)

There's a message in the wire and I'm sending the signal tonight You don't know how desperate I've become and it looks like I'm losing this fight In your world I have no meaning though I'm trying hard to understand and it's my heart that's breaking down this long distance line tonight

I ain't missing you at all (missing you) since you've been gone away (missing you), I ain't missing you (missing you) No matter what my friends say (missing you)

there's a message that I'm sending out via telegraph to your soul and if I can't breach this distance stop this heartbreak overload

I ain't missing you at all ...ow...(missing you) since you've been gone away (missing you), I ain't missing you (missing you) No matter what my friends say (missing you) I ain't missing you I ain't missing you. I can't lie to myself And there's a storm that's raging through my frozen heart tonight I ain't missing you at all I ain't missing you at all I ain't missing you...missing you I ain't missing you, oh no I ain't missing you, I ain't missing you I ain't missing you, I ain't missing you I ain't missing you, I ain't missing you.. Everytime I think of you, I always catch my breath.
