## When the Heartache Is Over

**Tina Turner** 

Once in a lifetime you find Someone to show you the way Someone to make your decisions But I let you lead me astray Who did you think you were fooling Said you were missing me blind But the truth is I knew you were lying You were using me time after time

When the heartache is over I know I won't be missing you (missing you) Won't look over my shoulder 'Cause I know that I can live without you Oh live without you Oh I can live without you

Time to move on with my life now Leaving the past all behind I can make my own decisions It was only a matter of time Sometimes I look back in anger Thinking about all the pain But I know that I'm stronger without you And that I'll never need you again

When the heartache is over I know I won't be missing you (missing you) Won't look over my shoulder 'Cause I know that I can live without you Oh live without you Oh I can live without you

When the heartache is over I know I won't be missing you Won't look over my shoulder 'Cause I know that I can live without you When the heartache is over I know I won't be missing you (missing you) Won't look over my shoulder 'Cause I know that I can live without you Yeah I can live without you Live without you
