

# Life's Too Short

Tinashe

I know you still love me  
It's been a long time without you  
Can't help it, FaceTimin'  
Long night, can't sleep lonely  
Now that you're gone, I got a 20/20 vision 'bout us  
Now that you're here, I can see it in another way  
I just wanna feel you on me  
Fuck all of that child's play

This shit right here, can't get enough  
Who gon' hold you down  
When you're really goin' through it like me?  
Who gon' see your face in the crowd?  
Pick you out like me

I just wanna love ya, I just want all you  
All of you, I just want all you  
You all over me, yeah, yeah  
I just wanna love ya, I just want all you  
All of you, I just want all you  
You all over me, yeah, yeah  
I know you wanna be with me  
And you know I wanna be with you  
Life's too short lil' baby, fall through

I know you picture us  
Been a long time without me  
Up early, made breakfast  
Spend the day playing video games  
Now that you're gone, I got a 20/20 vision 'bout us  
Now that you're here, I can see it in another way  
I just wanna feel you on me

This shit right here, can't get enough  
Who gon' hold you down  
When you're really goin' through it like me?  
Who gon' see your face in the crowd?  
Pick you out like me

I just wanna love ya, I just want all you  
All of you, I just want all you  
You all over me, yeah, yeah  
I just wanna love ya, I just want all you  
All of you, I just want all you  
You all over me, yeah, yeah  
I know you wanna be with me  
And you know I wanna be with you  
Life's too short lil' baby, fall through  
I just wanna love ya, I just want all you  
All of you, I just want all you  
You all over me, yeah, yeah  
I just wanna love ya, I just want all you  
All of you, I just want all you  
You all over me, yeah, yeah (All of you)  
I just wanna love ya, I just want all you (All of you)  
All of you, I just want all you (All of you)
