

Stormy Weather

Tinashe

Speeding faster 'cross the border
Every moment getting older
Hotter, colder, change the temperature
Waiting for some stormy weather

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Switch up, everyday, every evening
Ooh, ooh, ooh, ooh
Fuck it, gotta go with the feeling
Ooh, ooh, ooh, ooh

Keep on flipping backwards and forwards on ya
I don't apologize just my instincts
Hope that you feel me
Seems like you a nice guy, oh
Circle meets the line, I fly
There is no where, there is no why
There is just time

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Switch up, everyday, every evening
Ooh, ooh, ooh, ooh
Fuck it, gotta go with the feeling
Ooh, ooh, ooh, ooh

Mm baby, stormy weather
I'll keep you warm
Speeding faster 'cross the border
Getting older, hotter, colder
I hear a storm coming
Waiting for some stormy weather
I can feel...

Speeding faster 'cross the border
Every moment getting older
Hotter, colder, change the temperature
Waiting for some stormy weather
