

Skinny Veins

Tiny Moving Parts

You said life is more than just surviving
It gets boring when
You don't fear anything
That's the thrill

But don't be afraid of dying
Or scared of trying
Because that will only hold you back
Take some risks
Because failure is better
Than never trying at all

(You said)
Life is more than just surviving
It gets boring when
You don't fear anything

I will pack my bags
(I'll take the first train out)
You'll never see this face again

I will pack my bags
And leave this place
There is so much more
Out there waiting

I've soaked you deep inside my skin
Boundless courage
I've soaked you deep inside my skin

I would never have run away
Without your words
Inside of my skinny veins (skinny veins)

I would never have run away
Without your words
Inside of my skinny veins

I will pack my bags
(I'll take the first train out)
You'll never see this face again

I will pack my bags
And leave this place
There is so much more
Out there waiting
