

Stumble to Fall

Titiyo

Set out on a dangerous path
Just like in a dream he had
Gotta see if this might work
He's gonna try to make her fly
Can't walk out in the middle of a show
And make mistakes again
Gotta try to see this one through
He's gonna try to turn his heart around
And I think I know how this will end
It take a lot of hard work
Too hard to make amends
He's gonna have to let this one go
Cos he's gotta stumble to fall
Stumble to fall, stumble to fall,
Stumble to fall, stumble to fall
