

Let It Die

To Kill a King

Let it die and get out of my mind
We don't see eye to eye
Or hear ear to ear

Don't you wish that we could forget that kiss
And see this for what it is
That we're not in love

The saddest part of a broken heart
Isn't the ending so much as the start

It was hard to tell just how I felt
To not recognize myself
I started to fade away

And after all it won't take long to fall in love
Now I know what I don't want
I learned that with you

The saddest part of a broken heart
Isn't the ending so much as the start
The tragedy starts from the very first spark
Losing your mind for the sake of your heart

The saddest part of a broken heart
Isn't the ending so much as the start
