

Oh My Love

To Kill a King

Penny for your thoughts
I'm saving up to buy them all
I'm saving up to buy a boat
Big enough to sail us home

Oh my love
We're destined to demise
And there's nothing I can do
No there's nothing you can say
But it don't matter
What matters is now

Penny for your thoughts
One day I'll own them all
One day I'll know what makes you tick
And explode the way you did

Line 'em up and set 'em loose
Incarcerated red balloons
Watch them fly
And in the moment when they die
Fall in crimson youth

Oh my love
We're destined to demise
And there's nothing I can do
There's nothing you can say
It don't matter
What matters is now

Oh my love
One day they're gonna put me in the ground
And there's nothing I can do
No deal we can make
It don't matter
What matters is now

Oh love, come take my hand
See it does not shake
Always stays the same and
Oh love, come take my hand
See it does not shake
Always stays the same

Oh my love
We're destined to demise
And there's nothing I can do
No deal we can make
It don't matter
What matters is now

Oh my love
We're destined to demise
And there's nothing I can do
No there's nothing you can say
But it don't matter
What matters is now

Oh my love
One day they're gonna put me in the ground
