

Corporal Brown

Toad The Wet Sprocket

Corporal brown was tall, boy !
And likes to go and fish
Corporal's wife was quite fat
And was raving like a bitch
And I'm a bit drunk as I watch
They are yelling loud, he throws a punch
Oh lord, what am I gonna do?
Corporal brown was quite scared
When he looked down at her
Corporal's wife was quite dead
So he carried her and took her outside
Dug a grave and placed her inside
I was amazed
Oh lord, what am I gonna do?
