E

I don't need this conversation

F#m7

Cause I don't need to see you cry

B

You need one more confirmation

E

Like I need one more reason why.

A B

I know this might no be the answer

E

Oh that you came here to get

F#m7

We both know that girl is somethin'

B

That I'm still not over yet.

A B

I can't go on using you

Asm C#m

Girl in feels like I'm losin' you

F#m7 B

A love like yours is hard to find

F#m7 B

But you caught me at a bad time.

E

I knew that you'd be waiting

F#m7

The night I made that desperate call

B

You weren't everything I needed

E

Just the softest place to fall.

A B

So I'm not gonna lie to you

E

Just keep stringin' you along

F#m7

Thought by now it'd be better

B

But I guess I'm not that strong.

A B

I can't go on using you

Asm C#m

Oh it feels like I'm losin' you

F#m7 B

Love like yours is hard to find

F#m7 B

But you caught me at a bad time.
