

I've been around the way  
I've been around the block  
I got the keys to the city if the gates are locked  
And a freak like me ain't 'bout to stop  
I got a hand full of dreams and a heart full of God  
Everywhere we go they wonder where we're from  
Well it's diverse city y'all welcome to come  
It sits high on a hill you can see it for days  
And even if you can't you can hear our praise  
We go...  
Cause we're boomin' out the stereo system  
This goes out to anyone listening  
Boomin' out the stereosystem  
Here to rep the most high with this one  
Boomin' out the stereo system  
This goes out to anyone listening  
Boomin' out the stereo system  
'Cause we rock for sure in stereo  
If you're looking to slide, come slide with us  
And if you're looking for a ride, it's a big old bus  
We got black fold, white folk and Middle East  
Mexican, Filipino- Jesus Freaks  
Got a Haitian Princess, an Aussie Mate  
East Coast, Midwest to left side of the states  
And when the bus rolls, it's out the dirty south  
Tennessee and we keepin' it good and loud we go  
I got portable sounds to lift me up  
Portable sounds to take me higher  
Portable sounds to lift me up  
So don't even try to get in my head
