

Edge Of My Seat

TobyMac

Well, I thought that I had seen most everything
And if jaded was a people, I'd be the king
So cold to what a brand-new day could bring
So icy cold to all the wonder that should be moving me

Oh but then came You
Hot like June
I'm jumping out my skin just tryin' to catch the view

You got me on the edge
Got me on the edge of my seat
I can feel it rushin' over me
I can feel it rushin' over me
You got me on the edge
I am on the edge of my seat
I can feel it rushin' over me
I can feel it rushin' over me

Lost all my worries, feels like Christmas came early
Yeah, I could stay here day and night and never feel no hurry
Needless to mention, Lord, You got my attention
My eyes are wide with wonder pheenin' for this soul ascension

'Cause no one else is ever gonna do for me
Ever gonna do for me what You do for me, yeah
Ain't no one ever gonna steal the mystery
You put right in front of me, right in front of me, yeah

You got me on the edge
Got me on the edge of my seat
I can feel it rushin' over me
I can feel it rushin' over me
You got me on the edge
I am on the edge of my seat
I can feel it rushin' over me
I can feel it rushin' over me
You got me on the edge
I am on the edge of my seat
And I can feel the wonder rushin' over me

You are opening my eyes
You're opening my eyes, Lord
To brand new possibilities
You are opening my eyes
You're opening my eyes, Lord
To brand new possibilities

You are opening my eyes
You're opening my eyes, Lord
To brand new possibilities
You are opening my eyes
You're opening my eyes, Lord
To brand new possibilities

Behold, I am doin' a new thing in the land
It's springin' forth
Do you perceive it? (Hey!)

You got me on the edge
I am on the edge of my seat
I can feel it rushin' over me
I can feel it rushin' over me
You got me on the edge
I am on the edge of my seat
I can feel it rushin' over me
I can feel it rushin' over me
You got me on the edge
I am on the edge of my seat
I can feel it rushin' over me
I can feel it rushin' over me
You got me on the edge
I am on the edge of my seat
I can feel it rushin' over me
I can feel it rushin' over me

You are opening my eyes
You're opening my eyes, Lord
To brand new possibilities
(You got me on the edge, the edge)
You are opening my eyes
You're opening my eyes, Lord
