

Forgiveness

TobyMac

'Cause we all make mistakes sometimes
And we all step across that line
But nothing's sweeter than the day we find
We find...
It's hanging over him like the clouds of Seattle
And raining on his swag, falling deeper in the saddle
It's written on his face, he don't have to speak a sound
Somebody call the 5-0, we've got a man down
Now you can go and play it like your own rock 'n' roll
It does the job on each and every man's soul
And when your head hits the pillow with the night fall
You can bet your life that it's gonna be a fight y'all
'Cause we all make mistakes sometimes
And we've all stepped across that line
But nothing's sweeter than the day we find
Forgiveness, forgiveness
And we all step on it and fall
They just burn underneath it all
But nothing's sweeter than the pain
Sweeter than the pain, recall
Out for forgiveness
We all need, we all need
We all need forgiveness
We all need, we all need
Mister Lecrae
My mama told me what I would be in for
If I get to the sun, get inside of me pimped up
My heart's been broken, my wounds been open
And I don't know if I can hear "I'm sorry" been spoken
But those forgiving much should be quicker to give it
And God forgave me for it all, Jesus beg forgiveness
So when the stones fly and they aimed at you
Just say "forgive 'em Father, they know not what they do"
Now you can go and play it like your own rock 'n' roll
It does the job on each and every man's soul
And when your head hits the pillow with the night fall
You can bet your life that it's gonna be a fight y'all
'Cause we all make mistakes sometimes
And we've all stepped across that line
But nothing's sweeter than the day we find
Forgiveness, forgiveness
And we all step on it and fall
They just burn underneath it all
But nothing's sweeter than the pain
Sweeter than the pain, recall
Time for forgiveness
You know we need that that that
You know we need that that that
You know we need that that that
No matter how lost you are
You're not that far, you're not too far (from forgiveness)
No matter how hurt you are
You're not that far, you're not too far (from forgiveness)
And no matter how wrong you are
You're not that far, you're not too far (from forgiveness)
And no matter who you are
You're not that far, you're not too far (from forgiveness)

Ask for forgiveness
'Cause we all make mistakes sometimes
And we've all stepped across that line
But nothing's sweeter than the day we find
Forgiveness, forgiveness
And we all step on it and fall
They just burn underneath it all
But nothing's sweeter than the pain
Sweeter than the pain, recall
Out for forgiveness
We all need, we all need
We all need forgiveness
We all need, we all need
No matter how lost you are
We all need forgiveness
No matter how hurt you are
We all need forgiveness
And no matter how wrong you are
You're not that far, you're not too far (from forgiveness)
No matter who you are
You're not that far, you're not too far
We all need forgiveness forgiveness
We all need forgiveness forgiveness
We all need forgiveness forgiveness
We all need forgiveness forgiveness
