

Overflow

TobyMac

Clap your hands, everybody
Everybody, just clap your hands
Clap your hands, everybody
Everybody, just clap your hands

Some things money can't buy but a man's gotta to eat
Bread don't just fall out the sky and land at your feet

I was tryin' to fly high but I ran low like I'm sittin' on E
And my well ran dry 'till You came and made it rain on me

You fill my cup up 'till it overflows
And it's the sweetest love that I've ever known
So blow it on me, all that I need, down deep in my soul
Fill my cup up 'till it overflows

Oh, yeah

They say nothin' is perfect, that ain't true (No, sir)
'Cause You came and opened these eyes to the glory of You
You turned water to wine, you make a new man in me
And every time I'm runnin' empty

You fill my cup up 'till it overflows
And it's the sweetest love that I've ever known
So blow it on me, all that I need, down deep in my soul
Fill my cup up 'till it overflows

Overflows
Overflows

1, 2, 3, 4
It ain't a glass half full or a glass half empty
It's runnin' over, it can't fit me
Down every side through the ground
Mo' than enough to go around
So come and get it, come and get it while it's hot
Come and get it, come and get it nonstop
'Cause the only thing sweeter than a love song
Is singin' a love that goes on and on and on and on

You fill my cup up 'till it overflows
You are the sweetest love, sweetest love that I've ever known
So blow it on me, all that I need, down deep in my soul
Fill my cup up 'till it overflows

That's what I'm talkin' about
Overflows
Uh
Overflows

Clap your hands, everybody
Everybody, just clap your hands
Clap your hands, everybody
Everybody, just clap your hands
