

If You Want Peace Prepare For War

Today Is The Day

cannon rips through watch them die last hope shelter make them
cry give in give up watch you die my
war burns on dead inside I am god soldier's dying's mother's c
rying father's hiding Satan is smiling
Satan is winning cast spells that work that kill and bleed the
flock of life of all hope on my way
there I will run see my dad he looks so sad miss my home I fee
l so bad now I have nowhere to run
nowhere to hide nowhere I can sleep nowhere tonight I can hear
I can't hear you calling my name when
I see you smiling when I see you laughing then I feel I'm livi
ng then I know I'm giving take this
words I give you learn them like a bible oh my son look my way
oh my son live my way now I have
someone to talk to someone I can hide someone I can talk to so
meone tonight I can hear you calling I
can hear you breathing I can hear you waiting I can hear you n
eeding when I see you smiling when I see
you laughing then I feel I'm living then I know I'm giving I c
an hear you calling I can hear you
breathing I can hear you wanting you must run into the light
