

# Black Maria

Todd Rundgren

Black maria, you scare me so  
I feel as though my heart stop dead  
You're a liar, this I know  
I watch you go around my head

Oh, I'm going down slow  
You scare me so  
Oh, you never let go  
You scare me so

Gay deceiver, my eyes they burned  
My insides turned, my brain it rolled  
Unbeliever, but now I've learned  
I took my turn, I come up cold

Oh, I'm going down slow  
You scare me so  
Oh, you never let go  
You scare me so

If you must kill me  
Please let me die, Lord

(Ooh) Black maria, you scare me so  
I feel as though my heart stop dead  
You're a liar, this I know  
I watch you go around my head

Oh, I'm going down slow  
You scare me so  
Oh, you never let go  
You scare me so

If you must kill me  
Please let me die, Lord
