

## Collide-A-Scope

Todd Rundgren

I take, I lend  
I make, I spend  
I think, I act  
Extend, retract  
I freak, I cope  
I doubt, I hope  
Collide-A-Scope

I sleep, I wake  
I'm real, I'm fake  
I walk, I ride  
I seek, I hide  
I'm fast, I'm slow  
I'm high, I'm low  
Collide-A-Scope

I'm good, I'm bad  
I'm glad, I'm sad  
I'm poor, I'm rich  
I keep, I switch  
I ebb, I flow  
I'm friend, I'm foe  
Collide-A-Scope

Collide-A-Scope  
Collide-A-Scope  
Collide-A-Scope  
Collide-A-Scope

I talk, I hear  
I'm brave, I fear  
I lead, I trail  
I'm freed, I'm jailed  
I'm to, I'm fro  
I catch, I throw  
Collide-A-Scope

I'm right, I'm wrong  
I'm short, I'm long  
I stay, I leave  
I bob, I weave  
I'm dull, I glow  
I guess, I know  
Collide-A-Scope

I'm false, I'm true  
I'm old, I'm new  
I float, I sink  
I stare, I blink  
I'm yes, I'm no  
Goodbye, hello  
Collide-A-Scope

Collide-A-Scope  
Collide-A-Scope  
Collide-A-Scope  
Collide-A-Scope

We live, we die  
We laugh, we cry  
We're here, we're gone  
We're dusk, we're dawn  
We come, we go  
We doubt, we hope  
Collide-A-Scope

We love, we hate  
We start, we wait  
We curse, we pray  
We birth, we slay  
We're high, we're low  
We're friend, we're foe  
Collide-A-Scope

We give, we take  
We're real, we're fake  
We're there, we're here  
We're brave, we fear  
We're to, we're fro  
We guess, we know  
Collide-A-Scope

We live, we die  
We laugh, we cry  
We're here, we're gone  
We are dusk, we're dawn  
We're yes, we're no  
Goodbye, hello
