

# I Hate My Frickin' I.S.P.

Todd Rundgren

The reason that I signed up  
Is the reason that I hate it  
I know she's made her mind up  
I just don't know how she's made it

And my dial-up screen has locked me  
Into a touch tone tune monotony  
Because some snot-nosed pube has blocked me out  
And I wait  
And I wait

And I hate my frickin isp  
He ain't got go bandwidth left for me  
And I'll never get back  
Never get back the time that I waste  
That's what I hate

My job's so hard to swallow  
But it's got me by the collar  
In some motel 6 squalor  
Where every local call's a dollar

I got no time left to jack off  
I got a deadline that won't back off

I'm about to chew my own leg off  
Cause it's so late  
And I'm late

And I hate my frickin isp  
I get bumped for inactivity  
And I'll never get back  
Never get back the time that I waste  
That's what I hate

It rained cd roms that gave me  
Twenty hours free  
I let my service provider  
Make a junky outta me  
And then he cut me off  
From my online community  
And now I hate, I hate it  
I hate I hate I hate I hate

I hate my frickin isp  
His domain name lookup takes eternity  
And I'll never get back  
Never get back the time that I waste  
That's what I hate
