

# International Feel

Todd Rundgren

Here we are again,  
The start of the end  
But there's more  
I only want to see if you'll give up on me  
But there's always more

There is more  
International feel  
And there is more  
Interplanetary deals  
But there is more  
Interstellar appeal  
Still there is more  
Universal ideal  
Still there is more  
International feel

I swear something lies  
In your ears and your eyes  
Cause there's more  
You hear and you see  
Yet you do not believe  
That there's always more

There is more  
International feel  
And there is more  
Interplanetary deals  
But there is more  
Interstellar appeal  
Still there's more  
Universal ideal  
Still there's more  
International feel

I know, I know..
