

# It Wouldn't Have Made Any Difference

Todd Rundgren

(Ooh, ooh, ooh)

Do you remember the last time I said  
If I ever thought of lying  
I'd rather think of dying instead?  
And maybe you remember

The last time you called me  
To say we were through  
How it took a million tears  
Just to prove they all were for you  
But those days are through

'Cause it wouldn't have made any difference  
If you loved me  
How could you love me  
When it wouldn't really make any difference  
If you really loved me  
You just didn't love me, 'cause

I know of hundreds of times I could be  
In the most unfaithful arms  
That you always picture me  
And maybe you remember that

Though I can't always show proof I was true  
No one else could change my mind  
Or stop me coming home to you  
But those days are through

'Cause it wouldn't have made any difference  
If you loved me  
How could you love me  
When it wouldn't really make any difference  
If you really loved me  
You just didn't love me

Enough to believe me  
Enough not to leave me  
Enough not to look for a reason to be  
Unhappy with me  
And make me regret ever wanting you  
But those days are through

'Cause it wouldn't have made any difference  
If you loved me  
How could you love me  
When it wouldn't really make any difference  
If you really loved me  
You just did not love me

'Cause it wouldn't have made any difference  
If you loved me  
How could you love me  
When it wouldn't really make any difference  
If you really loved me  
You just did not love me
