

# Piss Aaron

Todd Rundgren

If it's stupid enough, it's cool  
A1-a2-a3

We figure, my daddy and me  
Things are still the same, it seems  
As when he lived it in his teens  
As a kid in school

Aaron was a junior, the class of '32  
His momma called him angel  
But everybody knew he was the  
King king, the gross out king

They called him Piss Aaron  
They always caught him pissin' in the hall  
Piss Aaron, he never would refuse  
When nature called

Dumb Larry from Homeroom 9  
Kept his locker full of weeds  
Just to satisfy his smoking needs  
And his love of fire

Went to a game and lit  
A stink bomb in the bleachers  
The coach, the cheerleader and the  
The chem teacher, and the dean  
The dean, duh, dean dean was after

Dumb Larry, they always caught him  
Smokin' in the john  
Dumb Larry, you never would have  
Missed him when he's gone

Chuck Biscuits, conservative-jive  
The biggest pig in all the school  
He would sit and smack his lips and drool  
As he eyed your lunch  
I left a bag in his desk one night

A raw egg sandwich and  
When Hungry took a bite  
He had to up chuck  
Uh up up-chuck, a-pukin'

Chuck Biscuits, they always  
Caught him eatin' in the class

Dumb Larry, they always caught him  
Smokin' in the john

Piss Aaron, they always  
Caught him pissin' in the hall
