

# The Highland Street Incident

Todd Snider

Some guy said to some other guy behind closed doors  
I don't even know how long I've been awake anymore  
But I know what we're out of and you do too  
Look around we're down to nothing but me and you  
We sold everything we stole and everything we had  
It's not that bad though  
It's not that bad

We will be buying our shit back when your cousin gets out  
That's only going to be a couple weeks from now  
You know what I'm thinking cause you're thinking it too  
It was harder to imagine than it was to do  
In spite of all of your worry last night went okay  
That man just threw his money up and ran away

Did we get arrested? No we did not  
We didn't shoot anyone, we didn't get shot  
We didn't hurt anyone, at least not a lot  
And we got what we wanted  
We got what we wanted

You're right I could kill somebody, I don't care  
But that's not the way it's gonna go tonight I swear  
We'll just walk on up to Highland Street behind the bar  
In the back through the alley where they park the cars  
It will go down just as easy as it did last night  
We'll be back here in an hour hidin' out of sight

Did we get arrested? No we did not  
We didn't shoot anyone, we didn't get shot  
We didn't hurt anyone, at least not a lot  
And we got what we wanted

Hey stand right here behind me buddy this is the place  
Hold this blue bandanna up to cover your face  
Yes this is loaded but it's only for security  
I won't be shootin' anyone that isn't shootin' at me  
Shut up I think I hear somebody coming man  
Shut up I think shh

Run man run  
Run man run  
We'll get out of this together when your cousin gets out  
That is only gonna be a couple weeks from now  
Run man run
