

Can't Stay Here

Tokyo Police Club

Well I don't know how to grow up
And I don't know how to stay young
I just know that I can't stay here

Cause I been woken from a dream
I'm never going back to sleep
Cause I know that I can't stay here

Singing
Dancing
The middle child

Give him back back back back
Give him back back back back
Give him back back back back
He was mine
Mine

I guess there's nothing I could say
That would change the way things are
Don't you know that I need you now?

Meet you in a another life (back to bed)
Tell me everything you've learned
Make it so, cause I can't stay here

Singing
This one
On my own

Give him back back back back
Give him back back back back
Give him back back back back
He was mine
Mine

Give him back back back back
Back back back back
Give him back back back back
He was mine
Mine
