## Gone

## **Tokyo Police Club**

gone to the coast gone to the coast where I let my hair down (down) out on the beach out on the beach where I let my ship sail (sail) gone to the coast gone to the coast where I let my hair down (ooh) out on the beach out on the beach where I let my ship sail (ooh) 'cause I don't know what I want I don't know what to think with both the curtains drawn and I don't know about you tell me something that I'm supposed to do runners don't run to me, runners don't say the same old things racers don't bother me, racers don't say the same old things but you always do gone to the coast gone to the coast where I let my hair down (down) out on the beach out on the beach where I let my ship sail (sail) gone to the coast gone to the coast where I let my hair down (down) out on the beach out on the beach where I let my ship sail (sail) 'cause I don't know what I want I don't know what to think with both the curtains drawn and I don't know about you tell me something that I'm supposed to do to do
