

Macho Man

I don't spend a thousand dollars in a cloth and cheap chain pain
And I don't drive the kind of car that would drive the girls in scene
I don't break about the things at all or the things that I can't buy
I don't wear gold but thunder hold and the rythm makes you cry

But I don't wanna waste your time
maybe you should just move on
Keep a looking if you try to find
a tough guy that will traet you on
A better change my way is gonna love me for who I am

What your gain is and what you see
Do you want me ?
Or do you want a Macho Man...

yeah

I don't wear a great big watch or a shiny diamond ring
But when you send me to the proshry store well I hope forget a thing
I don't have the star to fight just to show the world I'm tough
But make you see who's inside of me so I guess it's tough enough

But I don't wanna waste your time
maybe you should just move on
Keep a looking if you try to find
a tough guy that will traet you on
A better change my way is gonna love me for who I am

What your gain is and what you see
Do you want me ?
Or do you want a Macho Man...

He will spend a night or two
and I'll spend my life with you
I bet you call me when he leaves
Cause I'm a kind of man you need

A better change my way is gonna love me for who I am

What your gain is and what you see
Do you want me ?
Or do you want a Macho Man...
