

# Life Is a Highway

Tom Cochrane

capo III

**G**

Life's like a road that you travel on

**D**

When there's one day here and the next day gone

**A**

Sometimes you bend and sometimes you stand

Sometimes you turn your head to the wind

**G**

There's a world outside every darkened door

**D**

Where blues won't haunt you anymore

**A**

Where the brave are free and lovers soar

Come ride with me to the distant shore

**Bm**

We won't hesitate

**A**

Break down the garden's gate

**G**

**Em**

There's not much time left today

**Bm      A      G**

R: Life is a highway

**G D/F# D                      G D/F# A              G D/F# A**

I wanna ride it all night long

**Bm              A              G**

If you're going my way

**G D/F# D                      G D/F# A              G D/F# A**

I wanna drive it all night long

**G**

Through all these cities and all these towns

**D**

It's in my blood and it's all around

**A**

I love you now like I loved you then

This is the road and these are the hands

**G**

From Mozambique to those Memphis nights

**D**

The Khyber Pass to Vancouver's lights

**A**

Knock me down back up again

You're in my blood, I'm not a lonely man

**Bm**

There's no load I can't hold

**A**

Road so rough this I know

**G**

I'll be there when the light comes in

**Em**

Just tell 'em we're survivors

R: (2x)

**Em**

**G**

**Bm**

**A**

There was a distance between you and I

**Em**

**G**

**Bm**

**A**

A misunderstanding once, but now we look in the eye

**Bm**

There's no load I can't hold

**A**

Road so rough this I know

**G**

I'll be there when the light comes in

**Em**

Just tell 'em we're survivors

Life is a highway

I wanna ride it all night long

If you're going my way

I wanna drive it all night long
