

# Whatever It Takes

Tom Jones

Once upon a time not long ago  
When I was a playboy called romeo  
I met a girl she rocked my world  
I swore I do whatever to get to her  
I'd go insane, I'd jump a train  
I'd take a plane, I'd land in spain  
I'd take a cab up to her path  
What was

Whatever it takes  
Said whatever it takes girl  
I'm gonna get to you  
You know I got to get to you  
I hope you feeling me  
I hope you feeling me girl  
Just like I'm feeling you  
Just like I'm feeling you

Roses are red violets are bleu  
L.o.v.e. I love you  
Here's a box of choclets just for you  
I hope you feeling me like I'm feeling you  
Roses are red violets are bleu  
L.o.v.e. I love you  
Here's a dosen roses just for you  
I know you feeling me like I'm feeling you

She looked and smiled  
She liked my style  
She give me 10 digits and I could die  
If ever there's a time you feel alone  
Give me a call on the telephone  
No time to wait can hesitate  
By the look in her eyes I gonna keep the faith  
Take my hand let me be your man  
Here's my masterplan

Whatever it takes  
Said whatever it takes girl  
I'm gonna get to you  
You know I got to get to you  
I hope you feeling me  
I hope you feeling me girl  
Just like I'm feeling you  
Just like I'm feeling you

Roses are red violets are bleu  
L.o.v.e I love you  
Here's a box of choclets just for you  
I hope you feeling me like I feeling you  
Roses are red violets are bleu  
L.o.v.e I love you  
Here's a dosen roses just for you  
I know you feeling me like I'm feeling you

Let's go back to my crib  
So we can be alone

Me and you making love  
Till the break of dawn  
The way you make me feel  
You make me feel so real  
You got that sexappeal  
Tell me what's the deal

Whatever it takes  
Said whatever it takes girl  
I'm gonna get to you  
You know I got to get to you  
I hope you feeling me  
I hope you feeling me girl  
Just like I'm feeling you  
Just like I'm feeling you

Roses are red violets are bleu  
L.o.v.e I love you  
Here's a box of choclets just for you  
I hope you feeling me like I feeling you  
Roses are red violets are bleu  
L.o.v.e I love you  
Here's a dosen roses just for you  
I know you feeling me like I'm feeling you  
Feel me baby, feel me baby
