

# Hold The Line

Tom Morello

Nobody said it would be easy  
Nobody said that it would all be fine  
But to get where we're going  
Brother, you gotta hold the line  
It ain't a matter of "if"  
Nah, it's just a matter of time  
But to get where we're going  
Sister, gotta hold the line

You gotta stay steadfast, tread lightly  
'Cause they're looking for a reason to knock you down  
But you can't ask too politely  
In the trenches, you gotta get loud

Hold the line  
Hold the line, uh  
Don't pay 'em no mind, oh  
Hold the line

Nobody said it happens overnight  
But if you're looking for a sign  
Remember everybody that stood up before you  
Oh, they hold the line  
They wanna tell you "You're already free"  
Put these chains on and rob you blind  
When they co-op the movement  
Don't trip, just hold the line, hold the line

Hold the line  
Hold the line, uh  
Don't pay 'em no mind, oh  
Hold the line

You gotta stay steadfast, tread lightly  
'Cause they're looking for the reason to knock you down  
But you can't ask too politely  
In the trenches, you gotta get loud

You gotta stay steadfast, tread lightly  
'Cause they're looking for the reason to knock you down  
But you can't ask too politely  
In the trenches, you gotta get loud

Hold the line  
Hold the line, uh  
Don't pay 'em no mind, oh  
Hold the line
