

The Maze

Tom Morello

I, I want you to know
That my heart was just an empty house
I almost sold, 'til you
You came to stay
And you filled every room with music then
You went away
And I keep getting turned around
You found a way in
I'll find a way out
And I'll be there to carry

All the love you've lost, yes I will carry
All your secrets with me to my grave
These oceans that we cross are where
Are where we learn to breath beneath the waves
Yeah, the walls of the heart are like the walls of a maze

Dreams don't fail me now
If I open up the gates
Will you let your guard down
For years in this museum
We were sleeping in a work of art
That caged us in
And we keep getting turned around
You found a way in
I'll find a way out
And I'll be there to carry

All the love you've lost, yes I will carry
All your secrets with me to my grave
These oceans that we cross are where
Are where we learn to breath beneath the waves
Yeah, the walls of the heart are like the walls of a maze

All the love you've lost, yes I will carry
All your secrets with me to my grave
These oceans that we cross are where
Are where we learn to breath beneath the waves
Yeah, the walls of the heart are like the walls of a maze
