

Vigilante Nocturno

Tom Morello

Oh yeah
I went down
Down to the crossroads
I went down to the crossroads
Oh yeah

Down to the crossroads
Crossroads, crossroads
Down to the crossroads

I pimp slapped the devil
You're on your own
I pimp slapped the devil
I pimp, pimp slapped the devil
You're on your own

Let foes of justice tremble
Let foes of justice tremble

I pimp, pimp slapped the devil
You're on your own
